

**Ural Federal
University**

named after the first President
of Russia B.N.Yeltsin

WE ARE URAL FEDERAL!

A large, abstract graphic on the right side of the page. It consists of numerous overlapping, semi-transparent lines and bands of color. The colors range from bright yellow and orange at the bottom left to deep red and purple at the top right, creating a sense of motion and energy. The lines are of varying lengths and orientations, some horizontal and some diagonal.

• the Development Program of Russia's Leading Universities

UrFU is one of the 21 Russian universities receiving a state subsidy for promotion to the world's top 100 universities

UrFU's participation in the "Project 5-100" gives students unique opportunities:

- To study by the international educational standards,
- To receive scholarships for studying in foreign universities,
- To learn from the world-class faculty,
- To participate in major scientific projects,
- To receive bigger scholarships.
