

AGREEMENT OF COOPERATION

BETWEEN

URAL STATE TECHNICAL UNIVERSITY - UPI,
EKATERINBURG, RUSSIA

AND

UNIVERSITY OF INCHEON,
INCHEON, KOREA

Ural State Technical University-UPI and University of Incheon agree upon the following principles for cooperation:

1. Both Institutions agree to exchange of information about their educational programs and research activities.
2. Both Institutions agree to promote the academic exchange of students, postgraduate students and staff.
3. Both Institutions agree to promote joint research projects within areas of mutual interest. In the event that specific exchanges of faculty or students, or cooperative research projects are identified, this Agreement will become the basis for specific agreements developed for these exchanges or research projects.
4. This Agreement can be amended through mutually approved written correspondence or invalidated by either University of Incheon or Ural State Technical University – UPI.

Prof. Berdin A.S.
