MEMORANDUM OF UNDERSTANDING
between
Budapest University of Technology and Economics (BME)
and
Ural Federal University (UrFU)

This agreement is concluded in the framework of cooperation between Budapest University of Technology and Economics (BME) and Ural Federal University (UrFU). The parties hereby agree to promote joint research, development and education activities of mutual interest in accordance with their respective needs and objectives and shall, by joint agreement, determine the areas and subject of such cooperation.

Budapest University of Technology and Economics (BME) and Ural Federal University (UrFU) agree upon the following principles of cooperation:

1. Both institutions shall promote the exchange of information on their educational programs, research activities and areas of potential mutual research cooperation.
2. Parties shall endeavor to promote the following under this Memorandum:

Regarding research:

- a) Development of research programs and projects with the participation of professors, researchers and students in subject areas that meet the interests of both parties.
- b) Joint publication of scientific articles in important journals in the respective fields of expertise, aimed at improving the scientific activity of professors, researchers and students through educational programs.
- c) Organization of scientific events in each country, which focus at presenting the results of studies which have been accumulated by professors, researchers and students.
- d) Increase in joint published products in each of the educational institutions (visits to the publications boards, exchange of research publications, quality analysis of scientific papers before they are published, etc.)

Regarding educational programs:

- a) Exchange of documents related to various forms of cooperation.
- b) Exchange of curricula and pedagogical knowledge, literature and lists of publications.

- в) Exchange of publications by researchers and professors of the institution on the request of the other party.
- г) Exchange of professors as visiting professors.
- д) Exchange of students.

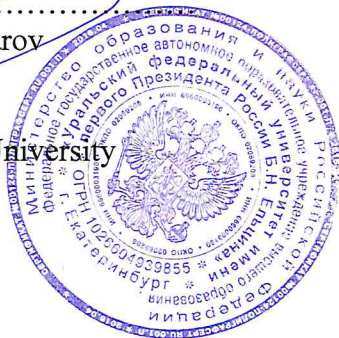

Regarding development:

- a) Admission of professors, researchers, undergraduate and graduate students of the other Party, if they comply with all the conditions of the host Party.
 - b) Participation in post-doctoral research fellowships.
 - c) Exchange of professors and researchers, support of their stay for the period of fulfillment of previously agreed objectives.
 - d) Exchange of students.
3. This agreement shall remain in force for indefinite time from the date of signature, with the understanding that it may be terminated by either party giving 12 months prior notice to the other party in writing.
4. This agreement consists of two copies, both in English and signed by both parties.
