

## **AGREEMENT**

### **BETWEEN**

**WESSEX INSTITUTE OF TECHNOLOGY, UK**

### **AND**

**FEDERAL STATE AUTONOMOUS EDUCATIONAL INSTITUTION OF HIGHER PROFESSIONAL EDUCATION "URAL FEDERAL UNIVERSITY NAMED AFTER THE FIRST PRESIDENT OF RUSSIA B.N.YELTSIN, YEKATERINBURG, RUSSIA**

This Agreement is made between the Wessex Institute of Technology (hereinafter referred to as WIT) in the United Kingdom and Federal State Autonomous Educational Institution of Higher Professional Education "Ural Federal University named after the first President of Russia B.N.Yeltsin", (hereinafter referred to as UrFU).

Its object is to foster collaboration between WIT and UrFU.

The two Institutions hereby agree to the establishment of a programme of technical scientific cooperation between them in accordance with the following conditions:

1. WIT and UrFU intend to foster the interchange of teachers, research workers and research students and the exchange of scientific and technological information.
2. WIT and UrFU undertake:
  - a) To establish an interchange of teachers and students to give or attend post graduate courses or to carry out research of interest to both of them.
  - b) To allow attendance at lectures and to provide the necessary working facilities for visitors accepted under this agreement.
  - c) When requested, to act, each in its own country, on behalf of the other, for establishing contacts in the fields where WIT/ UrFU cannot assist directly. This shall not preclude the possibility of either WIT or UrFU dealing directly with establishments in the other's country whenever expedient.
- 2.1 The programme of activities envisaged will be developed in accordance with the respective interests of WIT and UrFU without interfering with their normal activities.
